

Wake Forest University Police Department 2024 Internal Affairs Statistical Summary

In April 2022, the Wake Forest University Police Department was reaccredited by the International Association of Campus Law Enforcement Administrators. The association encourages accredited agencies to compile and make available to the public and their employees annual statistical summaries based on records of Internal Affairs investigations. It is the policy of the Police Department to investigate all complaints from the public, and its employees. All complaints are accepted and documented. Complaints may be submitted in person, over the phone, through email, the Police Department website, or in writing. Anonymous complaints or complaints from persons who wish their names to be held in confidence will be accepted for investigation. Procedures for filing a complaint or a compliment can be found on our website within the [Community Input Form](#). During 2024, there were three performance complaints. Note that the one unfounded complaint was about bias by an officer.
